HOME NEWS.

Printer Wanted!!

A good steady printer can find employment at this office.

SEE our new legal advertisements.

WOOD WANTED.—Inquire at this office.

CALDWELL's fine bull was purchased by W. S. Gray for \$200.

SCHLEICHER's majority over Ireland for Congress is 4582.

Two weddings (at least) are "on docket" for next week.

A NEW volume of the FREE PRESS has just begun, and now is a good time to subscribe.

THE Commissioners' Court was in session a part of this week. Some of their proceedings were important, and we propose to report them in our next.

A HEAVY rain the fore part of the week is being followed by cool pleasant weather.

In Washington county two negroes got into a fight over an election box. One of them broke the box over the other's head and scattered the tickets.

MARRIED.—At the Austin House, Austin, November 8, by Rev. Dr. Chaplin, Mr. R. W. Winchell and Miss Minnie Vance, the former of Blanco City, Texas the latter of Sheffield, Iowa.

Mr Winchell came to Texas last May and located at Blanco, and Miss Vance met him here, to join her lot with his up among the Blanco hills.

HOLMES, independent candidate for Representative from this district, is no doubt elected. Who is to be his associate we believe is in doubt.

THE official returns of this county will not be reported till Monday. We will give them in full in our next. Wren's election is conceded—majority five votes.

CAPT. TURNER is jubilant—it's a boy. We forget how many pounds the Captain said the youngster weighed, but he proposes to name him Schleicher, which is rather significant as to that point.

WE acknowledge a complimentary from the Secretary to the ninth State Fair to be held at Houston commencing the 19th inst.

HO! FOR CHRISTMAS.—Fritz Lange is in receipt of his holiday stock, including Christmas candies, candy toys, candle-holders for Christmas time and various other things suited to the holiday trade. Call and see.

THE only vacant space on the east side of the square is being built up by Messrs. Robbins and Hofheinz. A drug store from Austin we learn is to occupy the new building. Five years ago the east side had but three business houses on it.

Married.

GRAMM—PARKER.—On Sunday evening last by Rev. Mr. Kelly, Mr. Otto Gramm and Mrs. Annie Laura Parker.

We had the pleasure of being present on the above occasion, and of tendering our congratulations in person. For over a year past, as we happen to know, the happy groom had been a most devoted lover, and might well have adopted the sentiment of the song:

"For Bonnie Annie Laura
I'll lay me down and die."

We were therefore gratified to see him at last carry off the coveted prize in the face of a brisk competition. May this German-American union be happy and productive, and may similar combinations be recognized as the true solution of the Know-Nothing problem!

THE continued indisposition of our principal printer will again account for some deficiency in the quantity of local matter in our present issue.

JOB WORK neatly executed and at the lowest rates at the FREE PRESS office.

It is now reported that Hancock is defeated by Jones for Congress by some 500 majority.

THE Luling Signal takes refuge from comments on the unpalatable results of the Congressional election in a full page "ad" of Forepaugh's great show. We wish we were so lucky as to have had that sort of a labor saving visitation this week.

AN excursion of business men of Chicago, and St. Louis to the city of Mexico is in contemplation, and Galveston also proposes to have her interests represented.

Jefferson Davis has been singularly afflicted in to death of his sons. Joseph H. Davis fell from the piazza of the Executive mansion in Richmond during the war and was killed; William Davis died of diphtheria in Memphis in 1873, and Jefferson, the only surviving son, died recently of yellow fever in Memphis.

THE combination of disaffected office-seeking Democrats, Republicans and Greenbackers which have carried New York city cannot possibly stick together. It cannot be utilized for National Republicanism. Before John Kelly is out of New York comptrollership the party that defeated him will be shattered by the struggles for the spoils of office. It had no common principle except to defeat Kelley.—Baltimore Standard.

Something New—Lumber Yard at Kingsbury.

W. H. Harris & Co., the well known Lumber dealers of Marion, have started a branch establishment at Kingsbury, on the G. H. & S. A. Railway, where they will sell Lumber of all kinds as low as it can be bought in any market. They have had long experience in the business, know the wants of the people of this section, and guarantee satisfaction in every instance. Their yard will be first class, consisting of all varieties of Texas and Louisiana yellow pine lumber both rough and dressed, Doors Sash, Blinds, Nails, etc. They will sell rough lumber at Austin rates, and on dressed lumber will offer inducements over any other Western market.

Kingsbury being now our nearest railroad point, and the road there having recently been greatly improved, we see no reason why our people who need lumber should not give Harris & Co., their orders. Oct. 26-4w
